# SAFETY FOOTWEAR PROGRAM

**FACTORY SHOE**  
**WHY PAY FULL PRICE FOR SHOES?**

Over 150 Styles to Choose from!

# EMPLOYERS

The Factory Shoe Steel Toe Program takes care of virtually all the work for your company. Our program is easier to administer and has more benefits than any other safety footwear program available.

- Saves money for your company
- No contracts or written agreements
- No prepayment and excellent terms
- Guarantees a safety footwear purchase

We provide your company with custom pay stub inserts and posters to educate your employees about the program.

Online access to your account through [FactoryShoe.ca](http://FactoryShoe.ca) gives you complete control to freeze cards and to view purchase details in real time.

# OUR PROGRAM

## Step 1: Steel Toe Cards Distributed

Steel Toe Cards are distributed to employees, pre-loaded with the companies subsidized amount.

## Step 2: Employee Visits Store

The employee visits any Factory Shoe Store for the purchase of steel toe footwear. Attempts to purchase non-safety footwear with the steel toe card will not be authorized.

## Step 3: Employee Makes Purchase

The employee uses the Steel Toe card for payment. The card value is deducted from the sale and the employee pays the balance.

## Step 4: \$20 Bonus Card Distributed

The employee receives a \$20 Bonus Gift Card redeemable for any non-steel toe item in the store.

## Step 5: Employer Receives Invoice

Employer receives electronic invoice of sale directly to their email address(s). Employers are invoiced only for redeemed cards and are also granted online access to their account through [FactoryShoe.ca](http://FactoryShoe.ca). With this account the employer can see and export their live purchase history and freeze cards previously dispersed to their employees.

# EMPLOYEES

After receiving the Steel Toe Card from your employer, simply visit one of our Factory Shoe locations or our website to purchase any Steel Toe Footwear. Your subsidy will be deducted from the purchase total and the balance is paid by the cardholder.

With the Factory Shoe Safety Footwear Program, employees get to choose from the largest selection of safety footwear in Ontario.

The Factory Shoe Steel Toe Program has many benefits to employees:

- No more waiting to be reimbursed by your company.
- Over 150 Styles of name-brand footwear to choose from and Factory Shoe red tag Specials to help you save money.
- Receive a \$20 Bonus Gift Card, at the time of purchase, just for using the steel toe card provided by your company.
